## My Organizer in Muskoka

Born and raised in Bracebridge, Julie Medley-Hammond is one “neat” lady and is living her dream! Julie launched her dream into reality earlier this year when she started her business, My Organizer in Muskoka (M.O.M.). Describing herself as a meticulous person who will “get the job done,” Julie will organize anything and everything - from drawers and closets to entire households! She offers many excellent tips based upon first-hand experiences growing up in a large, busy family. An experienced office administrator who not only maintains home and workplace, Julie can’t wait to roll up her sleeves again! She recently spearheaded the “Messy Desk Contest” in the Muskoka Business newspaper and looks forward to meeting the winner.
